Course Survey by Students

All Yonsei students are required to participate in the course survey of all registered courses in the [2017 Fall semester](#).

Students must complete the survey before they are given access to their course grades.

Students who do not complete a survey for each of their courses during the course survey period won't be able to check their course grades.

Your thoughtfulness would be highly appreciated, as the professors take your opinion into account in improving their courses, and survey result would be disclosed for future students as reference in selecting courses.
